EVERYONE A MOVIE ACTOR;
DEPICT LOCAL SCENES

Have you ever harbored an ambition to pose before a movie camera, that your likeness might be reproduced on the screen for the benefit of movie fans? If so, here is your chance.

Harry M. Lowenstein, manager of the Palace, has completed arrangements with a real honest-to-goodness moving picture director and cameraman to come here and produce a local photoplay with an all-star cast of local characters.

"Won From the Flames" is the title to be given the picture, which will be a farce comedy with many laughs and thrills.

Marie West and Bob Chambers

will be the stars of the production, assisted by Judge Harrell acting as the irate father and Bob Bullock, Bob Gardenhire, Guy Price and Edgar Payne playing the villains. In addition there will be other people you know in minor parts.

The play, naturally, begins with a love scene. The young man loves a young lady. They become engaged, with the understanding that father is to be consulted. Father refuses to give his consent. The couple are determined to win the father's consent in some way, and when the tramps are caught red-handed in their villainous work by the hero. Oh joy, an idea! The next day the father and daughter go for an automobile ride. As per previous arrangement the tramps pounce upon the automobile party, leave father helpless along the roadside and kidnap the daughter. As luck would have it—previously arranged also—the lover happens by and rescues father. It is then learned that the daughter has been placed in a building, which is set afire. Father and lover rush to the scene and there, in the topmost story, frantically calling for help, and desiring to be saved from the seething flames, (smoke pots) is the daughter. The lover, of course, is equal to the occasion, performs the rescue, and thereby receives father's consent and blessing.

The burning building will be on a downtown street at four o'clock next

Monday afternoon and everyone who will come out and witness this scene will have a chance—perhaps their only one in a lifetime—to act in a movie scene, as it is essential to take a picture of the crowd witnessing the fire scene and show them cheering the rescue.

Another chance will be given you to be in the movies when a scene will be taken in front of the Palace just at the end of the second show on next Sunday afternoon. Everyone attending this performance will be "taken" in this scene, which will show the crowds leaving the theatre.

This is something new in the way of entertainment for moving picture fans, and it is predicted that it will draw unprecedented crowds when shown at the Palace on Wednesday, Dec. 15, and the Royal on Thursday, Dec. 16.

PROVENCE NOTES

Provence, Okla., Dec. 7.—We are having some damp weather at present, with wind from the north.

Some took advantage of the clear, cold weather last week and killed hogs.

Most all the cotton around Providence has been picked out. What little that is left in the fields is scattering.

Thanksgiving passed pleasantly and quietly in our little burg. A few family dinners, some visiting among the neighbors, and a holiday for the school children.

There is some sickness now around in the community, the most serious cases reported being Mrs. Ben Wallace and Edgar Parlier.

Tom Price, who resided about two miles south of Providence, died last week. He had pneumonia and was ill only a short time. He was a man well liked by all who knew him. He leaves a family of children to mourn his loss. He was buried at the Durwood cemetery by the side of his wife.

The infant of Mr. and Mrs. John Wilson of Springer died last week and was brought here and buried in the Providence cemetery.

Rev. Powers of Ardmore filled the regular appointment Saturday night and Sunday.

Mrs. Thornton and daughter, Miss Beatrice, visited friends at Mannsville Sunday.

Mr. and Mrs. August Powers have moved from here to Galveston, Tex. C. R. Smith and Ed Ramsey of Ardmore were on our streets Sunday.

Misses Neva Holt and Elizabeth Felker visited at the home of Mrs. Scott Saturday and Sunday.

Misses Baldwin and Gumm of McMillan visited Mrs. W. T. Williams and other friends here Saturday.

R. L. Stanford went to the Oil field at Wirt today.

Miss Maggie Harris visited relatives at Coleman, Okla., last week. She was accompanied home by her niece, Miss Eddie Draper.

W. T. Williams made a business trip to Wapanucka Saturday.

Mrs. Ella Mayfield is visiting in Ringling this week.

POOLEVILLE NOTES

Pooleville, Okla., Dec. 7.—Since the large gas well was brought in five miles from here, on W. B. Johnson's land, autos come and go continually, and quite a number of prominent men have visited our little village. A number of leases have been secured and a well is to be drilled due west of this place at once, and rushed to a finish.

M. P. Murphy of Fairfield, Ill., was a visitor to our little town on Saturday, and it is rumored that he came for the purpose of securing leases.

J. L. Keller of New York has been a frequent visitor in Pooleville lately. He is interested in the oil prospects.

Residents of this place say that years ago, when Ike Harmon was drilling for water, some oil was struck and the well abandoned for that reason, as at that time no interest was felt in oil. The house of J. J. Hayes was built over this well.

A delightful treat was given the young people, ages ranging from one to seventy-five, as Poolevilleites don't get old, on Wednesday evening in a pound party at the home of Mr. and Mrs. Nat Harris.

Everyone carried a pound of something good to eat, and after various amusements, all partook thereof.

R. D. Freeman is in Texas, where he has gone to look after business interests.

Buster Poole spent the weekend in Ardmore.

Mrs. Clarence Harris and son of Ardmore are visiting Mrs. Barney Barnes.

Mrs. C. S. Joiner, accompanied by Miss Virginia Joiner and Miss Virginia Lamb, all of Ardmore, have been recent visitors to the Joiner ranch.

Services were held Saturday and Sunday morning and evening by Rev. Goucher for the Baptist denomination.

School began Monday, November 29 with only a fairly good enrollment, due to crop conditions. Gold medals will be given those proving themselves the best spellers during the year.

The honors were won by Miss Lettie Freeman, advanced classes, and Miss Dossie Hathaway, in the lower grades, on Friday afternoon. The first week was one of the most pleasant to date, and all of the pupils are getting down to hard work, and seem full of interest.

"High Jinks" Coming.

"High Jinks," Arthur Hammerstein's musical comedy success, is one of the important early bookings at the opera house, Wednesday, Dec. 8. "High Jinks" enjoyed an unparalleled run at the Casino theatre, New York, and scored an exceptional hit, not alone from virtue of lifting melodies, but also for its truly funny story, which moves with amazing swiftness from start to finish.

Climate Failed;
Medicine Effective

Sufferers from Tuberculosis often think that medicine will not help them. Fresh air, regular habits and good food aid in restoring health, but more is often needed. Many have been restored to health by Eckman's Alternative.

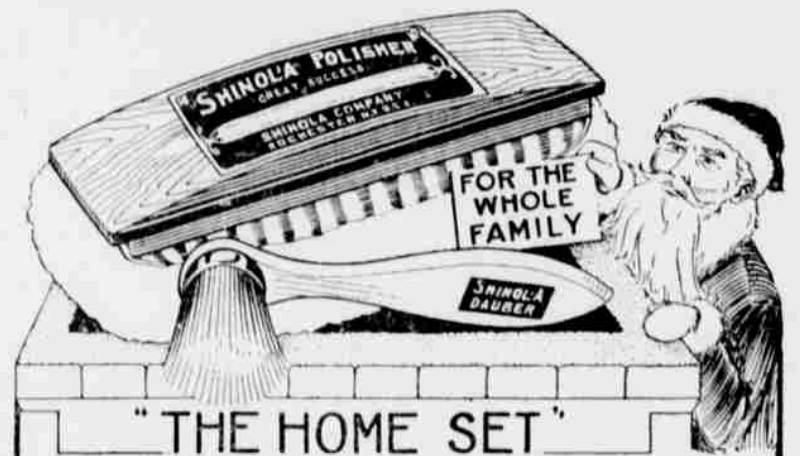

Weldon, Ill.
"Gentlemen—Through your instrumentality I have been saved from a premature grave. On December 14, 1905, I was taken with Typhoid Pneumonia, which developed into Tuberculosis (thelitis) were found. In February, 1905, I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 105 pounds, the doctor having given me no assurance of reaching there alive. On July 14, 1905, I began taking Eckman's wonderful remedy for Lung Trouble. Now I am stout and well and can do any kind of work about my grain elevator." (Abbreviated).

Ordinarily, the democratic party waits until the republican party has held its national convention, written its platform and named its candidates before it proceeds to follow suit. The suggestion has been made in Washington, however, and probably will be carried out, that the democrats, representing the party in power, hold their convention first. This will not be difficult for them to arrange, if they wish, for at the meeting this week, the national committee can arrange its plans to suit the majority of members. The republicans meet a week from today and it is reported
